	motor and pipelines to distribution system.	
12,	Estimated cost of works\$150,000.00	
	Estimated time required to construct worksCompleted	

- 14. Estimated time required to complete the application of water to beneficial use N/A Temporary Permit
- 15. Remarks: For use other than irrigation or stock watering, state number and type of units to be served or annual consumptive use. Water from Dangberg Reservoirs which are filled during the non-irrigation season by decree, will be released into the Carson River in an amount equal or greater to that diverted for construction water. Article IX of the Administrative Provisions allow for the release of water held in storage reservoirs to be mingled with the natural flow and transported by the river and redirected for beneficial use. This water is being made available to Carson City in return for water out of Carson Water System that has been used for construction purposes including dust control for a new bridge across the Carson River at the site of the present Lloyds Bridge. All water diversions will be metered and the exchange water will not exceed 50 acre-feet.

APPROVAL OF STATE ENGINEER

This is to certify I have examined the foregoing application, and do hereby grant the same, subject to the following limitations and conditions:

This permit to change the place of use and manner of use of a portion of Claim No. 815 of the Carson River as heretofore granted under the Final Carson River Decree No. D-183, in the District Court of the United States in and for the District of Nevada, is issued subject to the terms, conditions and irrigation period imposed in said Final decree and with the understanding that no other rights on the source will be affected by the change proposed herein.

This Permit does not extend the permittee the right of ingress and egress on public, private or corporate lands.

The issuance of this permit does not waive the requirements that the permit holder obtain other permits from State, Federal and local agencies.

This temporary permit is issued pursuant to Chapter 149 of the Statutes of Nevada, 1989.

This temporary permit shall expire on October 14, 1990.

The amount of water to be changed shall be limited to the amount which can be applied to beneficial use, and not to		
	живж्यक्ष्य्रभ्रम्भ्यरक्ष्य्रभ्रम्थर 50 acre-feet as decreed	
	e and be completed on or before
